Invitation

Chungnam National University (CNU) is proud to offer its 7th International Summer School (ISS) in 2012.

With the rise in popularity of Korean pop culture and dramas, there is a growing demand for learning Korean culture. This program is the perfect venue for those students wishing to explore the value and beauty of Korea in multi-cultural setting.

ISS is primarily designed to provide Korean language course and hands-on cultural experiences. You will not only learn basics of Korean language, but also take part in modern and traditional cultural activities in- and off- campus. Enriching field trips to Seoul and famous tourist attractions are also woven into the program . Based on Korean atmosphere, you will also develop insight into the global community through 3 - week sharing with Korean supporters and multicultural participants from more than 10 countries.

Learning doesn't begin or end in the classroom. We assure you that the ISS will provide essential international experience and invaluable opportunities which will be priceless assets for your life.

CNU ISS is truly unique summer experience that will last your lifetime. Join us and meet the world at CNU!
