OF TRENTO - Italy
Faculty of Cognitive Science

MASTER'S COURSE IN COGNITIVE SCIENCE

MCS

PROGRAMME STRUCTURE

www.mcs.unitn.it

The two-year Master's course in Cognitive Science is offered in English over four semesters. Students choose between two tracks: **Cognitive Neuroscience (CNS)** and **Language and Multimodal Interaction (LMI)**, each offering a selection of specialized courses. During the first year of the Master's course, students focus on understanding methodological and theoretical bases of scientific research. During the second year, students have the opportunity to gain hands-on experience with fMRI, EEG, MEG, TMS, eye-tracking, text analysis, computational modelling, machine learning and other advanced research tools.
