

Training program on in-depth usage of research data and analytics for the WEB OF SCIENCE™ platform

Date: 02.April.2018

Time: 10.00-16:30 pm

Venue: Room 202 and 203, Library building, NUM

	Activity	Time	Task person
<p>Participants from Clarivate Analytics</p> <ul style="list-style-type: none"> • Mr. Travis Hu Sales Director • Mr. Aaron Yang, Senior Sales Manager, Academic & Government, China & Mongolia • Ms. Lin Wang, Solution Specialist • Ms. Deborah Guo, Product solution specialist 	Registration	09:30-10:00	NUM staff
	Welcome and Introduction	10:00-10:05	Dr.B.Ochirkhuyag, Vice-President, NUM
	Opening	10:05-10:10	Dr.Y.Tumurbaatar, President, NUM
	Welcome speech from MECSS	10:10-10:15	Dr.D.Odgerel Director of Science and technology policy department, MECSS
	Presentation: Section 1: Empower your research with WEB OF SCIENCE™ for Natural Science and Social Science Contents: <ul style="list-style-type: none"> • Basic knowledge on literature retrieval • Thesis proposal or topic selection using SCIE/SSCI/A&HCI • Get information and ideas relevant to your own research using SCIE/SSCI/A&HCI • Targeting global Research Fronts using ESI • Regular tracking and management of your own research • Select proper SCIE/SSCI/A&HCI journals for publication submission • Generate formatted references according to journal requirements in a fast and accurate manner • Perform analysis and collaborate efficiently with the most trusted global patent data 	10:10-12:30	
<p>Training attendees</p>	Break time	12:30-14:00	
	Section 2-a : Hands-on database demonstration and question answering for Natural Science	14:00-16:00	Mr.Aaron Yang, Senior Sales Manager, Academic & Government, China & Mongolia Ms. Lin Wang, Solution Specialist As.Prof.B.Oyunsanaa, NUM
	Section 2-b : Hands-on database demonstration and question answering for Social Science	14:00-16:00	Mr. Travis Hu Sales Director Ms. Deborah Guo, Product solution specialist Prof.B.Erdenebat, NUM
	Conferring certification to participants	16:00-16:30	Mr. Travis Hu Sales Director, Mr. Aaron Yang, Senior Sales Manager, Academic & Government, China & Mongolia Dr.B.Ochirkhuyag, Vice-President, NUM

Training program on in-depth usage of research data and analytics for the WEB OF SCIENCE™ platform

Date: 03.April.2018

Time: 09:00-16:30 pm

Venue: Room 203, Library building, NUM

	Activity	Time	Task person
<p>Participants from Clarivate Analytics</p> <ul style="list-style-type: none"> •Mr.Travis Hu, Sales Director •Mr.Aaron Yang, Senior Sales Manager, Academic & Government, China & Mongolia •Ms.Lin Wang, Solution Specialist •Ms.Deborah Guo, Product solution specialist 	Registration	08:30-09:00	NUM staff
	Welcome and Introduction	09:00-09:05	Dr.B.Ochirkhuyag, Vice-President, NUM
	Presentation: Section 1: Scientific research management with Bibliometric Data Contents: <ul style="list-style-type: none"> • Basic knowledge on bibliometric analysis • The value of Web of Science in science discovery • Targeting global Research Fronts using ESI • Analyze institutional research performance, benchmarking and disciplinary analysis • Analyze institutional collaboration and select better collaborators to improve international impact • Analyze the performance of individual researcher/research teams 	09:10-11:10	Mr. Travis Hu Sales Director, Mr.Aaron Yang, Senior Sales Manager, Academic & Government, China & Mongolia Ms.Lin Wang, Solution Specialist Deborah Guo, Product solution specialist
	Coffee break	11:10-11:30	
	Presentation: Section 2: Web of Science journal evaluation principles and process Contents: <ul style="list-style-type: none"> • Principles and goals of the journal selection process • New approach to Web of Science collection building and curation • Journal selection criteria of Web of Science • Journal Impact Factor calculation • Ways of enhancing journals' global impact 	11:30-13:00	Mr. Travis Hu Sales Director, Mr.Aaron Yang, Senior Sales Manager, Academic & Government, China & Mongolia Ms.Lin Wang, Solution Specialist Ms.Deborah Guo, Product solution specialist
	<p>Training attendees: Research administrators, secretaries of academic council, professors and library officers for NUM</p>	Lunch	13:00-14:00
Presentation: Section 3 : Enhance the efficiency of research funding application Contents: <ul style="list-style-type: none"> • Understanding the funding application process • Targeting the cutting-edge research topic via ESI Research Fronts • Analyzing the background and the trend of selected research topic • Summarizing the research achievements with ease in Web of Science 		14:00-16:00	Mr. Travis Hu Sales Director, Mr.Aaron Yang, Senior Sales Manager, Academic & Government, China & Mongolia Ms.Lin Wang, Solution Specialist Deborah Guo, Product solution specialist
<p>Contact address: Department of Research and Innovation, NUM Phone:77307730-1141</p>	Conferring certification to participants	16:00-16:30	Mr. Travis Hu Sales Director, Mr.Aaron Yang, Senior Sales Manager, Academic & Government, China & Mongolia Ms.Lin Wang, Solution Specialist Ms.Deborah Guo, Product solution specialist
