

CSC Scholarship Proposal for International Students
From National University of Mongolia
2019-2020

Beijing Institute of Technology (BIT) is offering **3** CSC (China Scholarship Council) scholarship to students from your prestigious university to pursue Master or PhD degree program at BIT.

The total position **is three but not limited to three**, and we'd like to take more if there are extra excellent candidates who are interested to be our master or PhD students under this scholarship.

➤ **Overview of the CSC scholarship**

The CSC scholarship covers **the tuition fee, the accommodation, the comprehensive medical insurance and the monthly living allowance (CNY 3,000 for masters and CNY 3,500 for PhDs)**. The international air fare is not covered.

The scholarship will be offered to the students during their stay at Beijing Institute of Technology for the period of **the Master programs (2 years) and PhD programs (4 years)**.

➤ **English-taught programs**

Beijing Institute of Technology has now formed a disciplinary structure with a traditional focus on science and technology but also developing into other areas such as management and humanities.

Our English-taught programs are listed as follows:

- ※ **Aeronautics & Space Science and Technology**
- ※ **Mechanical Engineering**
- ※ **Computer Science and Technology**
- ※ **Control Science and Engineering**
- ※ **Electronics Science and Technology**
- ※ **Information and Communication Engineering**
- ※ **Chemical Engineering and Technology**
- ※ **Chemistry**
- ※ **Armament Science and Technology**

※Safety Science & Engineering

※Law

Please refer to our **Admission Book 2019 (Attachment II)** for more programs and it is noted that all the programs can be taught in Chinese at all levels and conducted in English for the PhD students.

➤ **Language requirements**

With regards to **the English-taught programs** at BIT, if English is not the native language and the students are attending a school where English is not the language of instruction, the students are required to take the Test of English as a Foreign Language (TOEFL, **minimum score: 85**) or the International English Language Testing System Academic (IELTS Academic, **minimum score: 5.5**).

In terms of **the Chinese-taught programs**, the applicants are required to pass the HSK 5 exam, and the certificate of which is one of the essential application materials.

➤ **Application deadlines**

For any prospective CSC candidates, please fill in the following **Preliminary Registration Form** and send it to our E-mail address at master_phd@bit.edu.cn before **December 31, 2018**.

After receiving the **Preliminary Registration Form**, we will contact the qualified applicants in person and inform them of the detailed application procedures, which include two rounds of review and one online video interview.

We will update your prestigious university on the number of the CSC candidates and their applied majors in mid-January, and when the whole pre-admission is finished, you will be informed about who are eventually selected.

If you have any questions about the scholarship programs, please don't hesitate to contact us.
