INTERNATIONAL WORKSHOP ON “LEVERAGING STUDENT RESEARCH UNDER URGENT” OF THE “URGENT” PROJECT FUNDED BY ERASMUS+ PROGRAM

Under the project "Urban Resilience and Adaptation for India and Mongolia - [URGENT](https://urgent-project.net/)" funded by the ERASMUS+ program of the European Union, the partner institution of the project, the [Sher-e-Kashmir University of Agricultural Sciences and Technology](https://www.ushrukh.ac.in/) organized a 3-day international workshop on "Leveraging Student Research under URGENT " between September 18 and 20, 2023 in Kashmir, India. Students and professors from 5 countries (Estonia, Germany, Mongolia, India, Italy) participated in the workshop, and associate professors N.Oyunchimeg, D.Batsuren from Department of Environment and Forest Engineering, School Engineering and Technology, National University of Mongolia participated. The purpose of the workshop was to present and discuss the results of scientific research aimed at urban environment, urban planning, and the development of livable cities, and to expand cooperation.
