Call for Applications

Dear academics, entrepreneurs and professionals,
Dear creators, innovators and visionaries,

We would like to call your attention to Falling Walls Lab. Falling Walls Lab is a world-class pitch competition, networking forum, and steppingstone that brings together a diverse and interdisciplinary pool of students and early-career professionals by providing a stage for breakthrough ideas both globally and locally. The multifaceted formats support participants in driving their innovations and develop their communication skills, fostering collaboration and creating a space for the impactful and sustainable community to thrive.

Each year, renowned academic institutions around the world organise their own Falling Walls Lab to showcase the quality, diversity, and passion of their region's most innovative minds. In three minutes each, participants are given the opportunity to present their solutions to some of the most pressing challenges of our time to peers, a high-calibre jury, and the general public. **The winner of each international Lab qualifies for the global finale in Berlin on 7 November and wins a ticket to attend the Falling Walls Science Summit,** where they get to interact and network with the world's movers and shakers of science, business, and policymaking

Falling Walls Lab Mongolia'24 will take place on 27th September 2023 at 13:00 o'clock at the Library of the National University of Mongolia, Conference Room 502 and via zoom.us as a hybrid event.

It is hosted by the Mongolian Foundation for Science and Technology and the German-Mongolian Institute for Resources and Technology (GMIT) and organized by the Arts & Media Project Management & Consulting NGO (AMPMC) in cooperation with GMIT and the Cultural Envoy of Mongolia to the Federal Republic of Germany, Oyuntuya Oyunjargal. The event is supported by the Ministry of Economy and Development of Mongolia, the National University of Mongolia (NUM), the International Network of Women Engineers and Scientists (INWES), MONTSAME Mongolian National News Agency, and the Energy Insight Magazine as a media partner.

Applications can be submitted via https://falling-walls.com/lab/apply/. The application deadline is on 19th September 2024. To help spreading the news of Falling Walls Lab Mongolia'24, we would greatly appreciate it if you could forward our call for applications to students and early-career professionals in your network.

Falling Walls Lab is organised by the Falling Walls Foundation and generously funded by the Museum für Naturkunde Berlin (global finale) and Sartorius (international Labs). It is supported by the Federal Foreign Office of Germany, the German Academic Exchange Service (DAAD), the German Research Foundation (DFG), and Springer Nature.
