— Spring(First) 2027 Semester —

Inbound Exchange Team, Aoyama Gakuin University

Please follow the steps below for student nominations and applications.

1.CONFIRMATION OF THE EXCHANGE NUMBER

If we haven't confirmed the exchange number for the semester, please contact us at your earliest convenience.

2.STUDENT NOMINATION FROM PARTNER INSTITUTIONS TO AGU

After confirming the number of available spots for Spring 2027, please read through the Application Guidelines below and nominate the student(s) who match the eligibility.

[In English]: [Application Instructions for Exchange Students for Spring 2027](#)

[In Japanese]: [Application Instructions for Exchange Students for Spring 2027](#)

* If you have a student with disabilities or a chronic illness who may need academic accommodations at AGU, please reach out to us as early as possible before nominating the student. This is important because we need to verify with the relevant offices whether we can provide the necessary accommodations and get back to you.

3. APPLICATION INSTRUCTIONS TO STUDENT(S)

Please kindly instruct your nominated student(s) to submit the application documents by the deadline. The link to the online application form for each campus is written in the application instructions. The Student Application Deadline:

First deadline October 10, 2026 (JST).

Second deadline: November 10, 2026 (JST)

<Important Notes>

1. Since the review process for Japan's Certificate of Eligibility (CoE) has been taking longer than before, from the second semester of the 2026 academic year, we will divide the student application deadlines into two rounds. Applications submitted by the first deadline allow the university to start preparing the CoE application earlier, so it is recommended that submissions be made by the first deadline whenever possible. If students cannot meet the first deadline, please instruct them to submit all application documents by the second deadline.
2. If a student's passport expires during their study period, please instruct them to renew their passport promptly.
3. Regarding Vaccinations: For studying in Japan, **it is mandatory to have received two doses of the Rubella and Measles vaccines.** The AGU Health Certificate, included in the application documents, must be completed by a doctor and include the vaccination dates (both doses).

If a nominated student has not yet received two doses of the Rubella and Measles vaccines, please advise them to get vaccinated as soon as possible. If they have never been vaccinated before, there may need to be a few weeks between the first and second doses, which means it could take some time to complete both vaccinations.
